Established in 2002, the **Salters' National Awards for Science Technicians** are held annually.

The aim of these Awards is to acknowledge publicly the immense contribution science technicians make to the well-being and success of schools and colleges and, in particular, to science departments.

The Awards are open to science technicians:

- **Working in schools and colleges with students up to age 18**
- **who have a total of five or more years' experience (either full or part-time)**

One nomination per school can be made by the **Headteacher or the Head of Science**. Nominations can now be completed online!

NOMINATIONS OPEN: THURSDAY 3 JANUARY 2013
