Salters' Chemistry Club

Handbooks 1 and 2

Our **Salters' Chemistry Club Handbooks 1 and 2** are a very popular source of activities for teachers to use in chemistry clubs, enrichment activities or open evenings etc.

With basic, intermediate and high level worksheets, as well as puzzles and games, there are activities for students of all abilities.

The Handbooks 1 and 2 are now out of print but all the activities are available to download online by clicking on the link below:

New online CPD courses for teachers

The **Royal Society of Chemistry** has launched online CPD courses for teachers - and is inviting teachers to take the first module, Quantitative Chemistry, for free until 30th September 2014.

Each module covers a key chemical concept and provides ideas and resources teachers can try in the classroom to enhance their lessons.

A promotional graphic for CPD for Teachers. It features a woman in a white shirt sitting at a desk with a laptop, looking at the screen. The background is a green chalkboard. The graphic is framed by a large, stylized circular shape composed of overlapping segments in shades of purple, pink, and green. Text on the left side of the graphic reads: "CPD for Teachers", "Advancing excellence in chemistry teaching", "Maximise your skills today:", and "rsc.li/online-cpd". The Royal Society of Chemistry logo is in the bottom left corner of the graphic.
