

Entries for Salters' Festivals of Chemistry are open and places are still available! For more information on how to apply, please see below...

Salters' Institute
FESTIVALS OF CHEMISTRY

in partnership with

SALTERS' FESTIVALS OF CHEMISTRY

ENTER A TEAM NOW!

One-day fun events for Year 7 and 8 students held at Universities and Colleges throughout the UK and Ireland. A fantastic way for students to experience independent, practical chemistry in a University or College laboratory!

There are **53 Festivals of Chemistry** running between March-June.

Who can participate?

A school may enter one team of four students from:

- Year 7 and/or 8 in England and Wales
- Year P7 and/or S1 in Scotland
- Year 8 and/or 9 in Northern Ireland
- Primary 6 and/or Secondary Year 1 in the Republic of Ireland

Students will experience...

- Exciting hands-on practical Chemistry challenges in University/College labs
- Carrying out investigations "like a real Chemist"
- Team working and independent problem solving
- Amazing chemical demonstrations
- Prizegiving ceremony with prizes for winning schools
- Fun prizes and certificates for all participants

The cost is just £30 (€35) per team (non-refundable) plus travel expenses.

There are places available at the following Festivals:

Aberystwyth
Bangor
Birmingham Festivals
Bradford
Brighton
Cambridge
East Anglia 2nd Festival

SALTERS' NATIONAL AWARDS FOR SCIENCE TECHNICIANS

APPLICATIONS OPENED ON TUESDAY 20 FEBRUARY 2018

Open to **ALL** Science Technicians... in schools and colleges for students up to the age of 18

Aim of the Awards is to:

- highlight the important role that school and college technicians play in enabling high quality practical work in science

- promote and support the professional learning and upskilling of technician teams*

*Don't worry if you're the sole technician in a school or college – you're still eligible!

UP TO 4 AWARDS of £1000 EACH!

HOW TO APPLY:

[Click here](#) for further details and to enter your team* for the Salters' National Awards for Science Technicians. (*Sole technicians are still eligible!)

OTHER NEWS

Biology Challenge 2018

Teachers can now register their 12-15 year old students for the **Biology Challenge 2018 (6th – 26th March)**. The online competition encourages students to take an interest in biology beyond the school curriculum, particularly before they make their choice of subjects for further study. High scoring pupils will receive certificates and offered the opportunity to attend an awards ceremony in London.

Photography Competition 2018

'**Patterns in nature**' is the theme of this year's Royal Society of Biology **Photography Competition**. Life on Earth encompasses a myriad of regular forms, sequences and structures and we invite you to capture these details of biology. Supported by Eppendorf, there are two categories each with a cash prize: 18+ (£1000) and under 18s (£500). Get snapping and submit up to three images by **31st July 2018**. Please contact competitions@rsb.org.uk with any enquires.
