**Subject:** A Pinch of Salt! Final Festival places & time to recognise your Technicians!

# *A Pinch of* Salt!

April 2019

Welcome back! We hope you had a restful break. The Summer Term is upon us and it is a busy one at the Salters' Institute. Over 50 Festivals of Chemistry are due to take place across the UK and Republic of Ireland over the next 11 weeks. Have a look below to see if any Festivals local to you still have places available.

Are you a brilliant school/ college technician team? There is still time to make sure that

you get recognised for the work that you do. Find out more information about the Salters' National Awards for Science Technicians below.

**AWARDS**

in collaboration with

# Salters' National Awards for Science Technicians

*'...I would like to take this opportunity to thank you and your team for making Friday a very special day for us. We thoroughly enjoyed the day from start to finish and felt immensely proud to be part of the Awards Ceremony...' Awardwinning Team 2017*

**Don't miss out on gaining recognition for the work that you do!**

**The Salters' National Awards for Science Technicians** in collaboration with **CLEAPSS** and **SSERC** are an exciting opportunity to showcase your work in practice. **The Awards:**

- Highlight the importance of **technician teams** (sole technicians are still eligible!)
- Are open to **ALL** Science Technicians in schools or colleges for students up to the age of 18
- Highlight the important role that school and college technicians play in **enabling high quality practical work in science**

**Up to four awards of £1,000 each are made annually.**

**Apply online** by clicking the button below. The closing date for applications is

**Friday 3 May 2019**
